

JUNIOR SUMMER CHECKLIST

- Create master schedule of summer commitments**
Map out your summer on an online calendar or planner to determine when you'll be doing what and how you might fill any free time.

- Retake the SAT or ACT**
Remember: registration for these tests closes about one month before each test date.

- Write your Activities List and Personal Statement**
We recommend reading [On Writing the College Application Essay](#) by Harry Bauld to familiarize yourself with what makes a successful college essay and [The Elements of Style](#) by Strunk and White to brush up on your writing skills

- Visit colleges and finalize your college list**
Navigate to the college's website and secure your spot for a virtual or in-person visit. Revisit your working college list and revise it accordingly.
